

# **2022-2023 Pharmacy Residents**

---

**Choose**  **VA**

# Taylor Culpepper

- **Hometown:** Liverpool, NY
- **Pre-Pharmacy School(s) attended:** St. John Fisher College
- **Pharmacy School attended:** St. John Fisher College Wegmans School of Pharmacy
- **What interested you in VA Finger Lakes?** During my last year of pharmacy school, I completed an APPE rotation at the VA Rochester Outpatient Clinic. I was amazed by the scope of practice pharmacists have at the VA and knew I was interested in working at a VA in the future. When I was informed that they were starting a residency program, I knew I had to apply! I am so excited to be one of their first residents and have the ability to help improve the program for residents to come.
- **What Pharmacy interest(s) do you have?** Infectious Diseases, Oncology, Primary Care
- **PGY-1 Research Project:** Improving Fluoroquinolone Prescribing Practices at Finger Lakes VA Healthcare System
- **What interests you outside of pharmacy?** I love to read books when I have the time. I also like to spend time with my corgi, Max (my pride and joy). I am also in the process of planning my wedding so that takes up a lot of my free time.
- **Contact information:** Taylor.Culpepper@va.gov

# Hannah Guererri

- **Hometown:** Geneva, NY
- **Pre-Pharmacy School(s) attended:** St. John Fisher College
- **Pharmacy School attended:** St. John Fisher College Wegmans School of Pharmacy
- **What interested you in VA Finger Lakes?** I also completed an APPE rotation at the Finger Lakes VA during my last year of pharmacy school and I absolutely loved it! The federal scope of pharmacy practice truly advances healthcare in an unbelievable way, and I just had to take the opportunity to experience it. When I learned they had gotten approval to start a residency program, I saw even more opportunity to help build the program and make my residency year what I wanted. Knowing that I had a great group of pharmacists to learn from made it an easy decision for me!
- **What Pharmacy interest(s) do you have?** Primary/Ambulatory Care, Cardiology
- **PGY-1 Research Project:** The Integration of Clinical Pharmacy Practitioners in the Management of Heart Failure at Finger Lakes VA Healthcare System
- **What interests you outside of pharmacy?** I love spending time with my 2 Siberian huskies, Indy and Koda and I am also a racecar driver, so I spend most weekends of my summer at the dirt tracks with my family!
- **Contact information:** Hannah.guererri1@va.gov
